Blue Cross and Blue Shield of Kansas City

Kansas City

# Welcome.

The Dental GRID links many dental networks of the nation's Blue plans. Members of participating Blue plans, like Blue Cross and Blue Shield of Kansas City (Blue KC), have seamless access to GRID and GRID+ providers in all 50 states.

- Grid Providers are the preferred network of dentists with the lowest out-of-pocket costs for covered services.
- Grid+ providers is an available network of dentists with higher out-of-pocket costs for covered services.

Blue KC is building a new online dental provider directory, in the interim we've created a 2017 Dental Provider GRID and GRID+ Directory, separated based on region. Once in the region specific directory, members can search for a dental provider based on state, city and specialty.

If you have questions about the Dental Provider GRID and GRID+ directory please contact Blue KC customer service at **1-888-989-8842**.

The directory is searchable. Please use the **Find** text box to search for a specific area, dentist, etc. as needed.
